Congratulations - exciting times for you both.

As your wedding celebrant I will:

- Work with you to create a personal ceremony
- Work with Aaron to create a script which is special and meaningful.
- Provide guidance and resources
- Liaise with the wedding venue coordinator around ceremony details
- Supply the electronic equipment including microphones and speakers
- Organise the ceremony running sheet
- Work with you both on personal vows
- Provide a commemorative certificate
- Manage all legal requirements.

When we first meet, I will ask a few questions:

- When and how did you meet?
- How did you know that you were right for each other?
- What is important to you about marriage?
- What type of ceremony would you like?
- What do you want to be special about your ceremony?
- What are your MUST haves?
- Is there anything that you DON'T want in your ceremony?
- Who do you want to be involved?
- What do you want to remember most about your special day?

I will provide you with:

- "Happily Ever Before & After"* brochure
- YOUR wedding booklet** - resources for creating your ceremony
- Date and time** for the second meeting for signing of documents.

Documents we will discuss include:

- Personal ID (Birth Certificate or passport) and driver's licence
- Legal documentation details and timeline
- Wedding certificate and process for name change (if required)

Ceremony Fee:

- \$750.00** including \$100.00 deposit within 7 days (plus travel if outside Ballarat).

We will work on your wedding together and I will make the process simple, organise all legal requirements & create a ceremony that is special and personal.

Jane.
